February	Outdoors
March	Play Dough
April	Paper
May	Free Choice
June	Water Play
July	Sensory Tub
August	Pretend Play
September	Loose Parts
October	Animals
November	Construction
December	Books

THANK YOU FOR PLAYING THE #12MONTHSOFPPLAY!

My name is Kate and I love to make play experiences for children fun, simple and educational.

As a busy parent myself, I understand how difficult it can be to find ideas that will engage my child and give them the variety of experiences in play that they deserve. There is only so many times they want to play with LEGO, right?

WHAT IS THE #12MONTHSOFPPLAY CHALLENGE?

The #12monthsofpplay is an online challenge that is designed to inspire and encourage you to break free from the everyday play routine with your child and explore new ways of play.

Each month is allocated a theme. You can use these themes as inspiration for expanding your child's play experience. How you interpret the theme is completely up to you and your child!

We have a whole community playing along, tagging their pictures on Instagram using the #12monthsofpplay hashtag and sharing in [my private Facebook group](#).

It's lots of fun so get your friends involved and play along!
